

Part One/Chapter Two

DESIGN FOR THEATRE

DISCUSSION QUESTIONS:

1. Why is collaboration so important in theatre?
2. Describe the design process using the Who, What, Where, When, Why, and How process.
3. Name the Periods of Architecture and why are they important?
4. List the Orders of Architecture? How do they reflect the times they come from?
5. Explain a design process in simple terms that can be used as a basis for any project.
6. Support the need for knowledge of prior designs, either specific or simply stylistically, before beginning a new design project.
